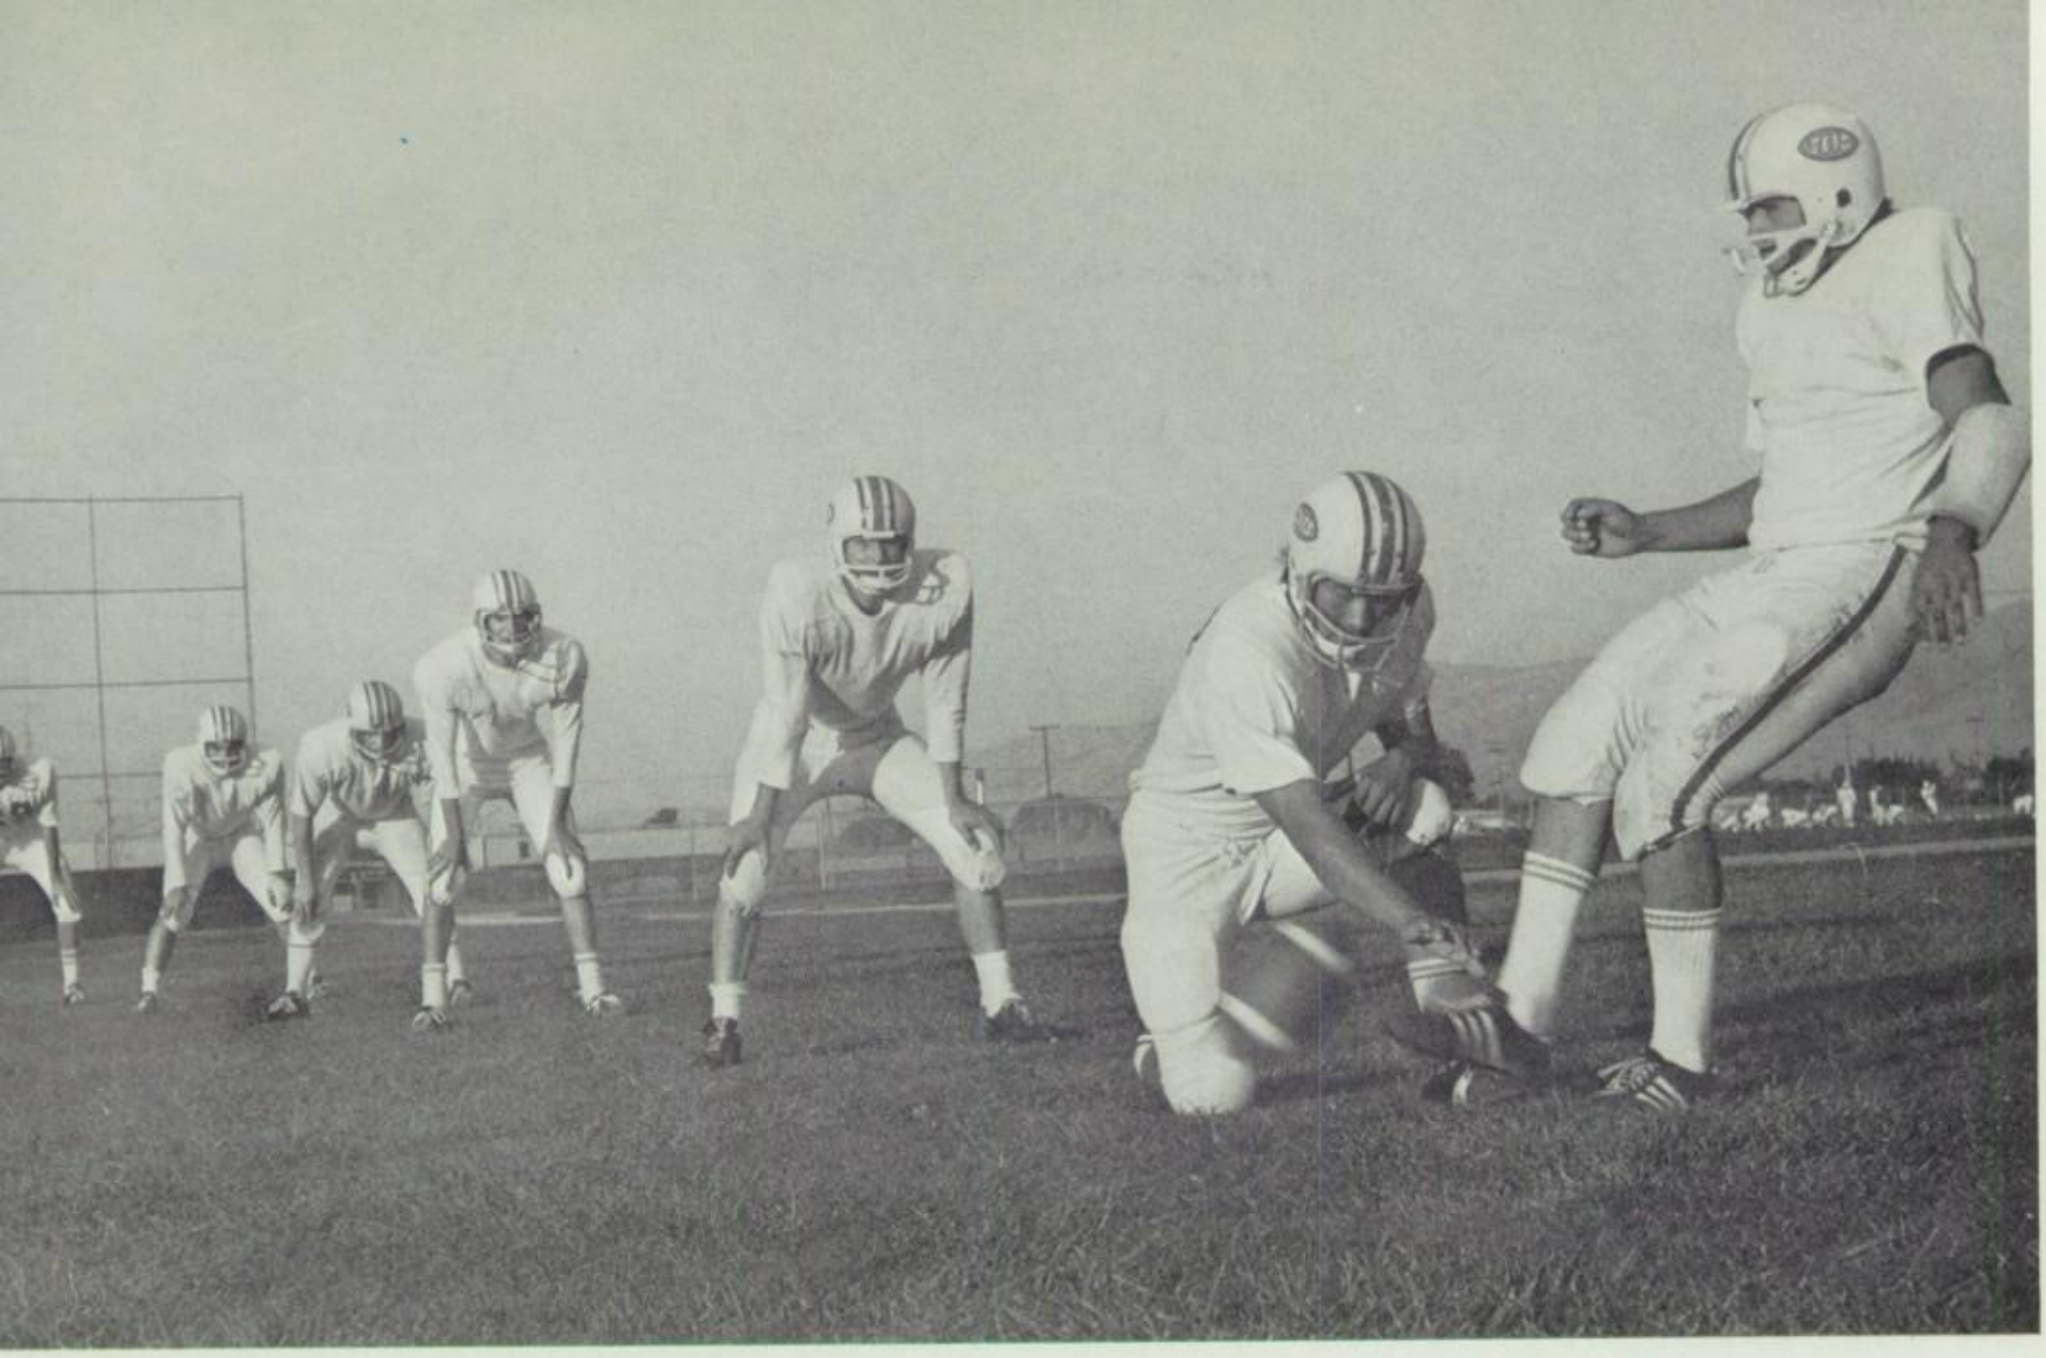
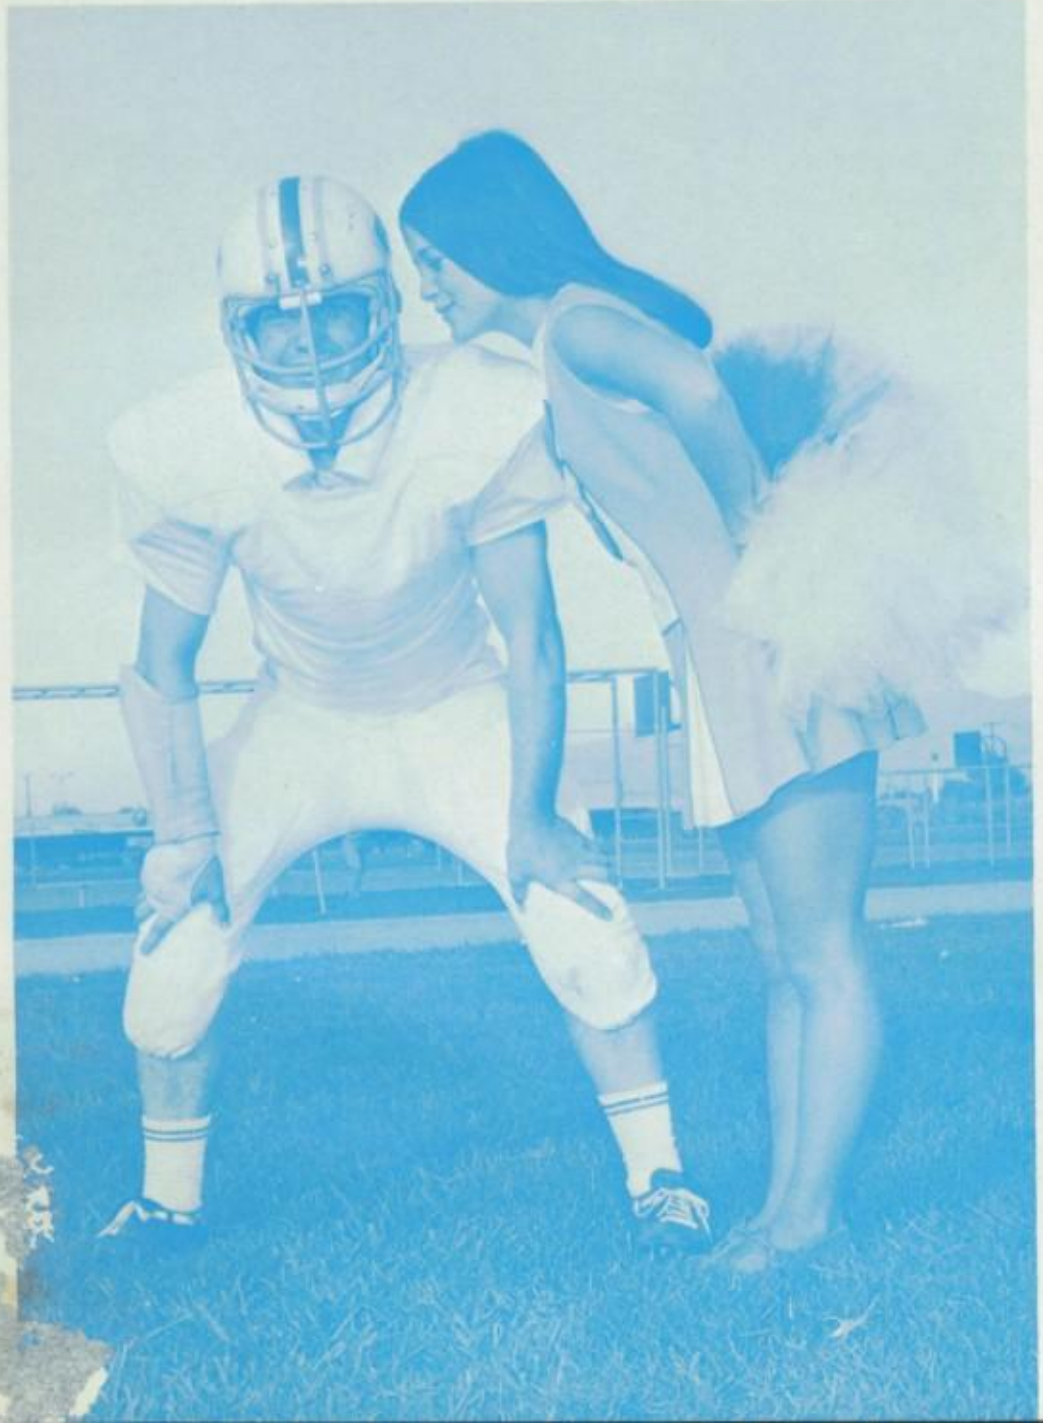
Sunnyvale High School
Sunnyvale, California
Volume XVI

We've only just begun
to live

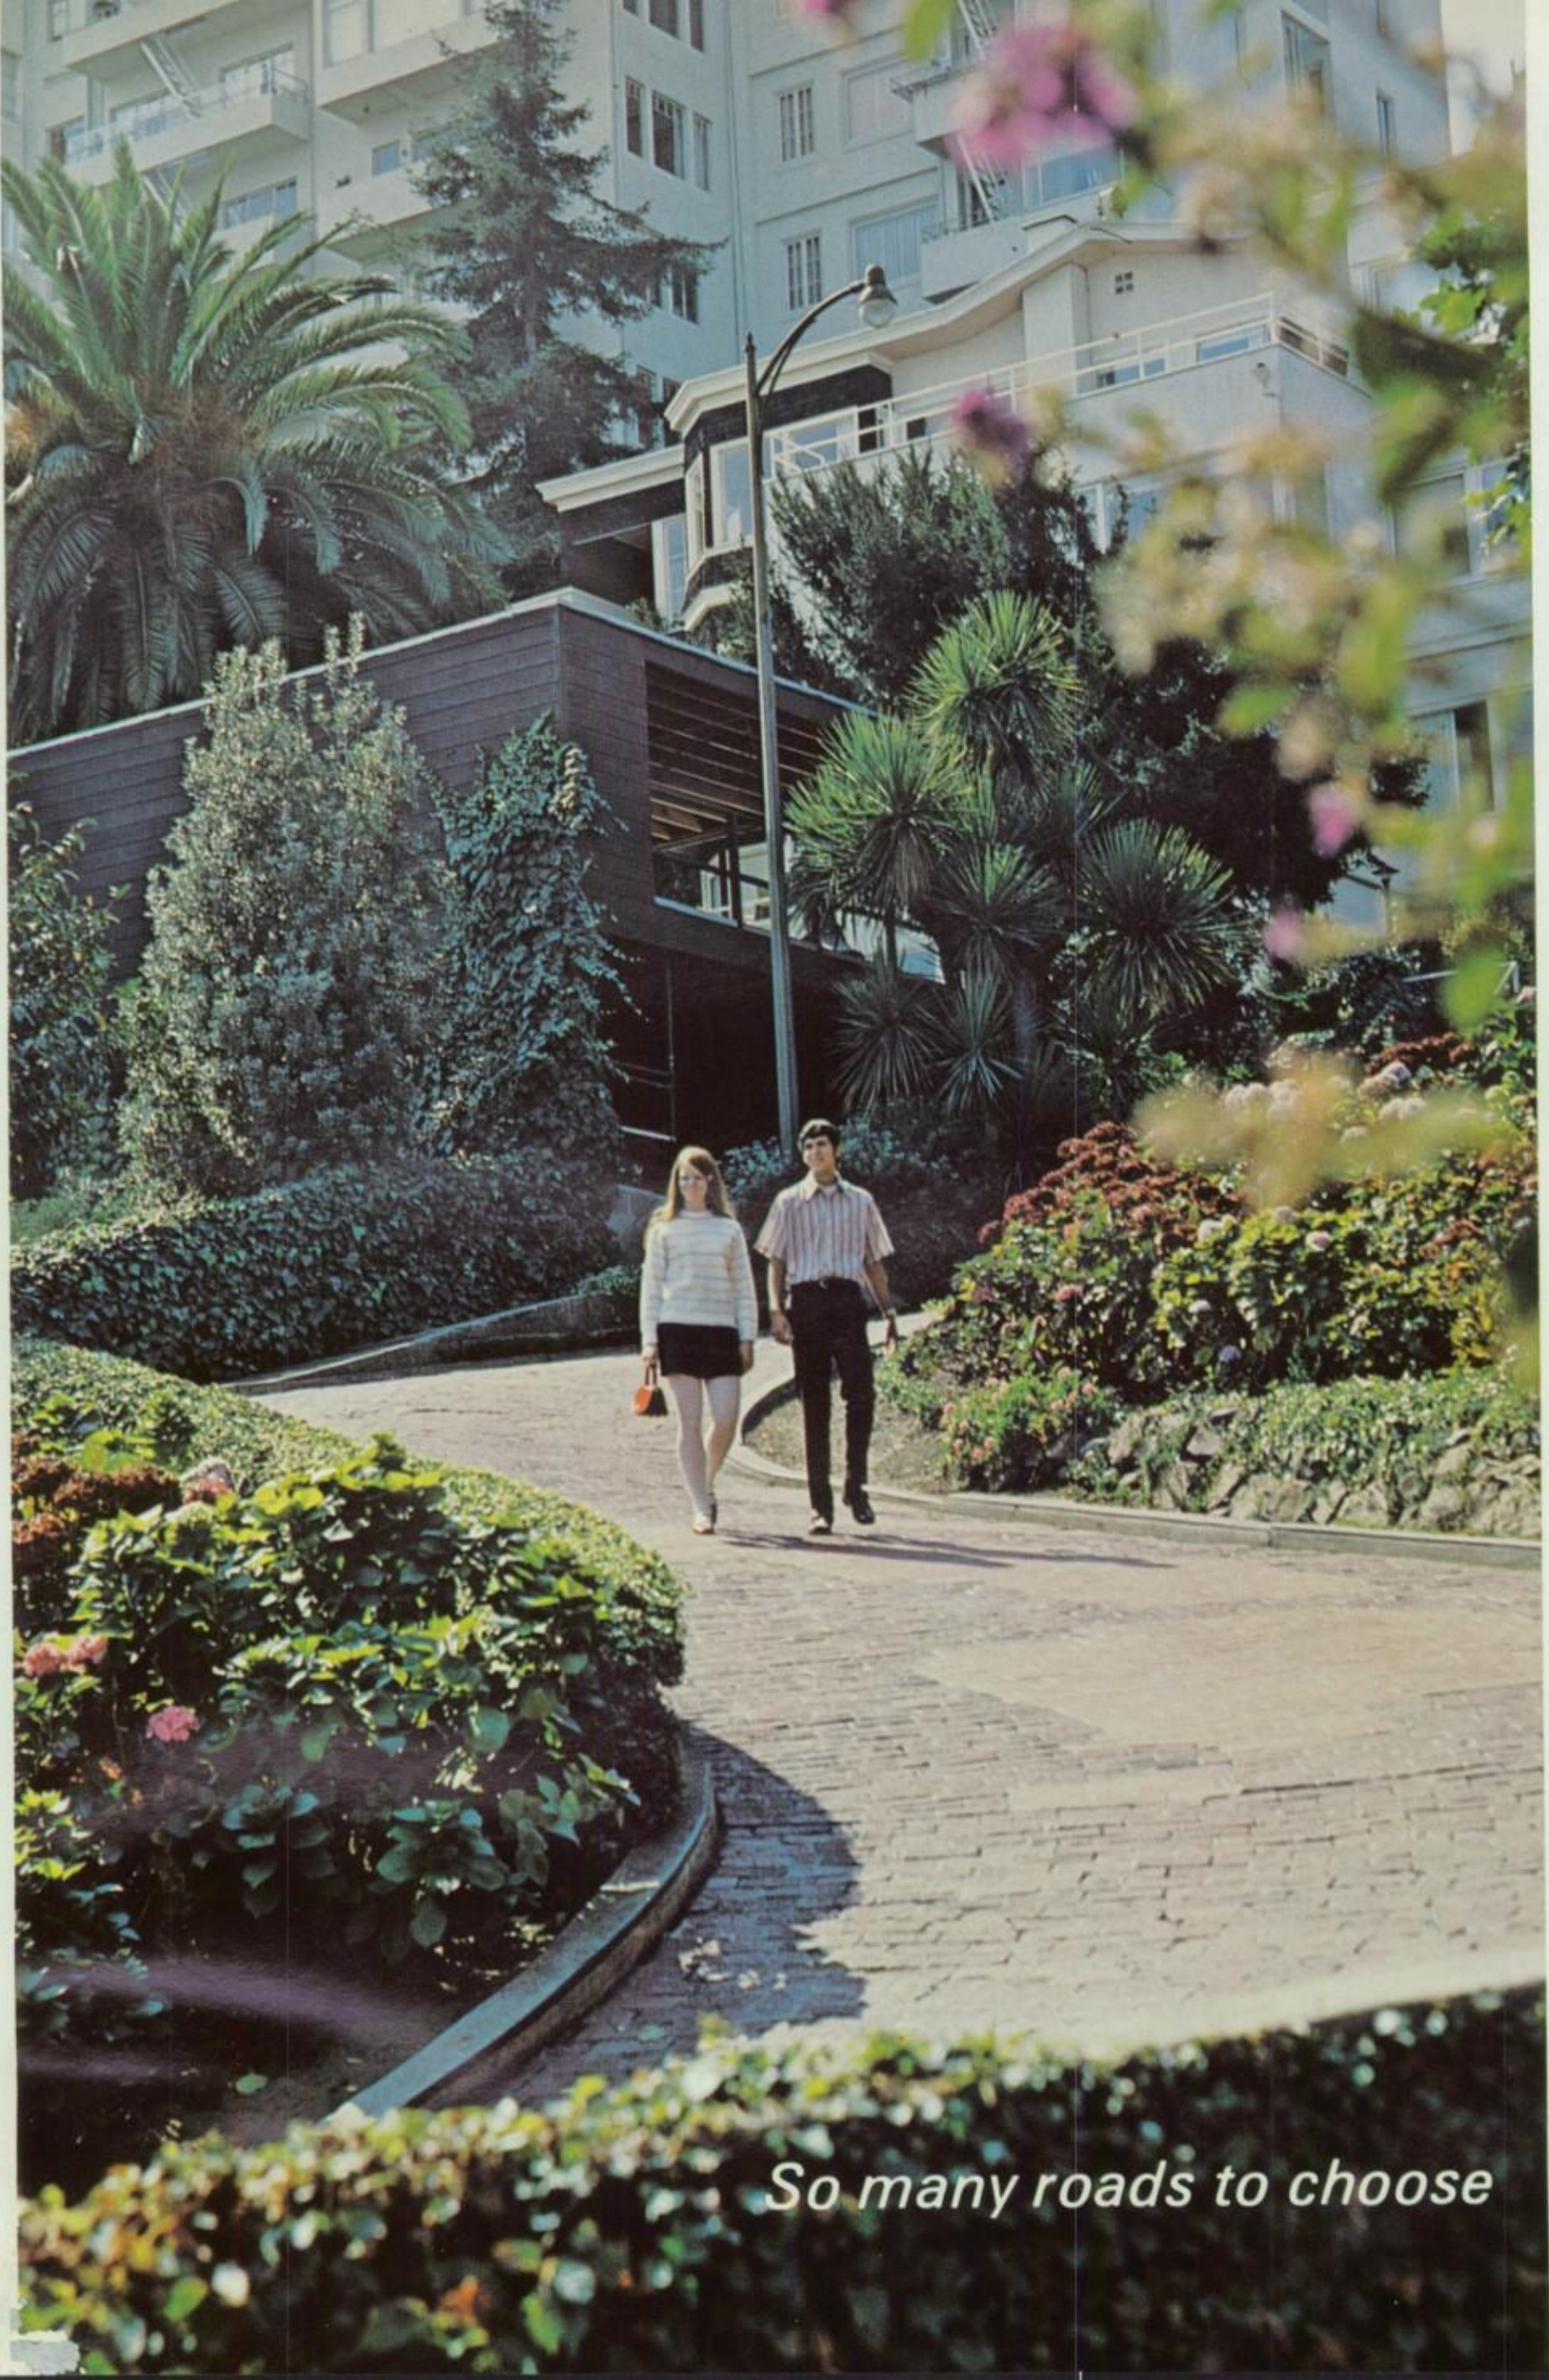
White lace
and promises



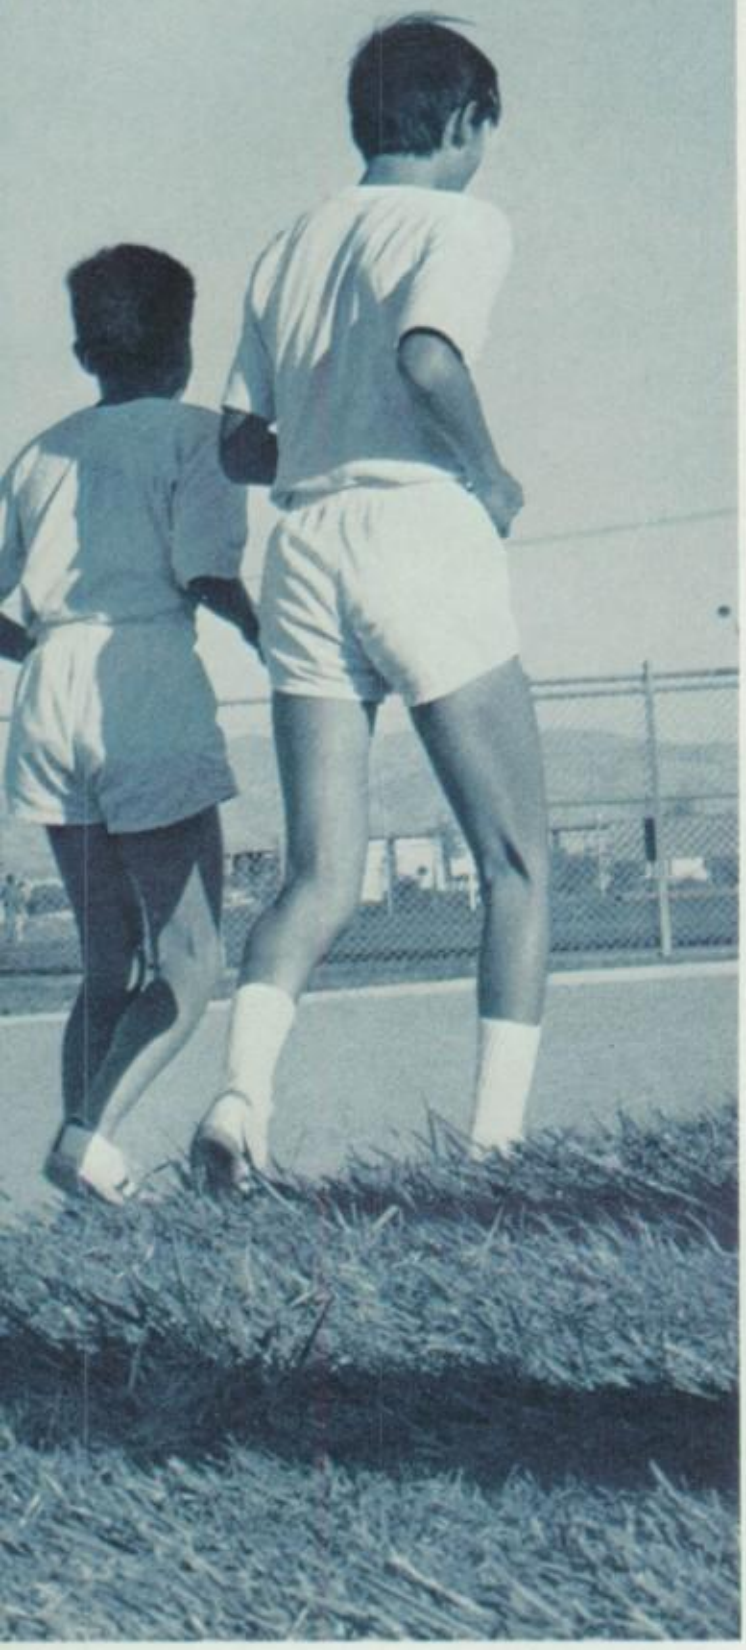


A kiss for luck,
and we're on our way

Before the rising sun . . . We fly



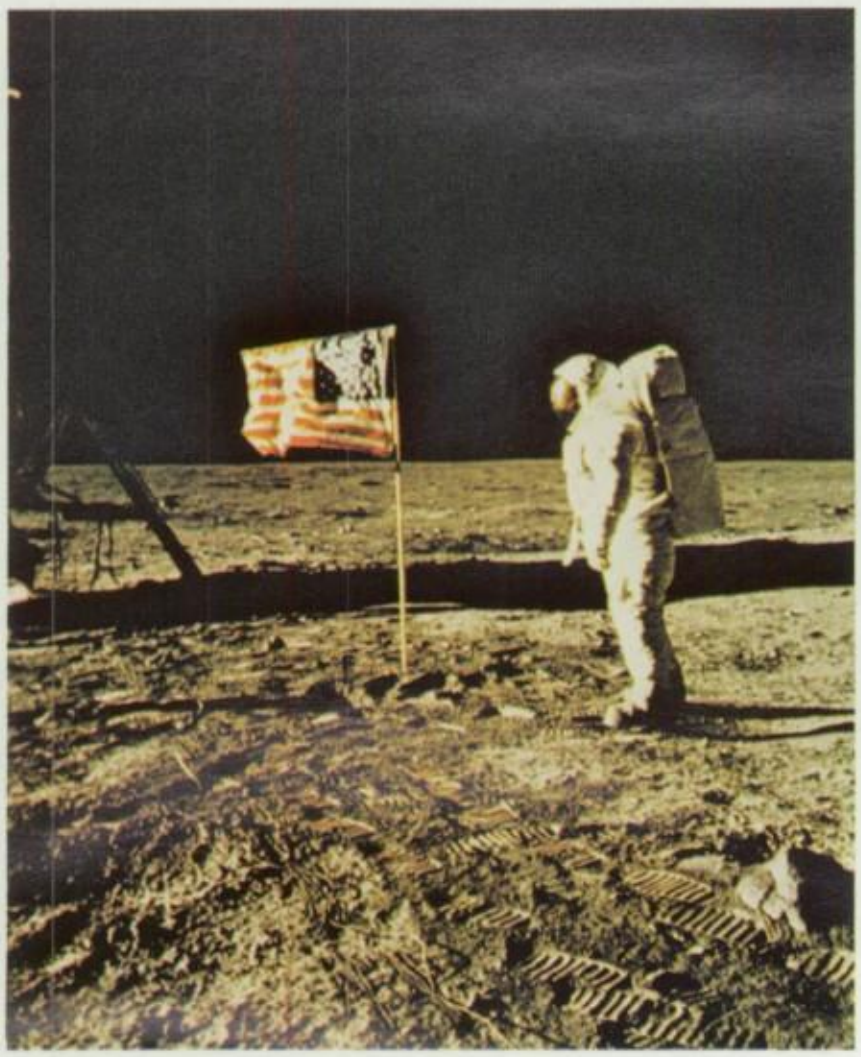
So many roads to choose

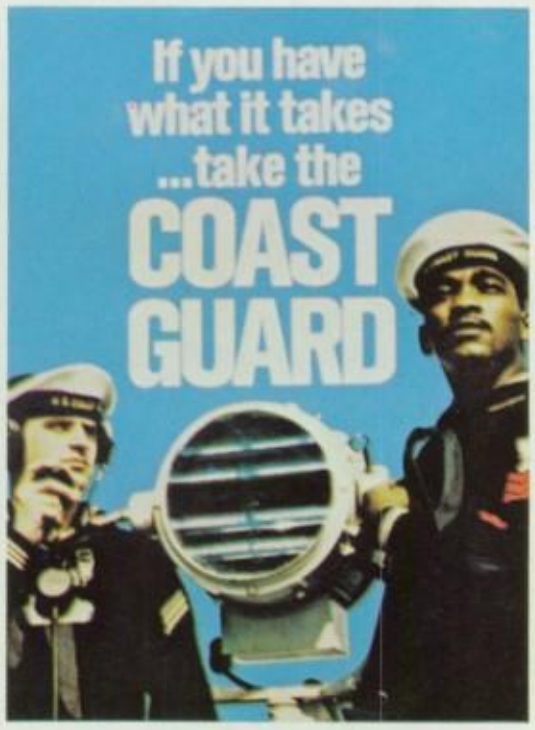


We start out walking
And learn to run
And, yes, we've just begun

Sharing horizons
That are new
To us,
Watching the signs
Along the way

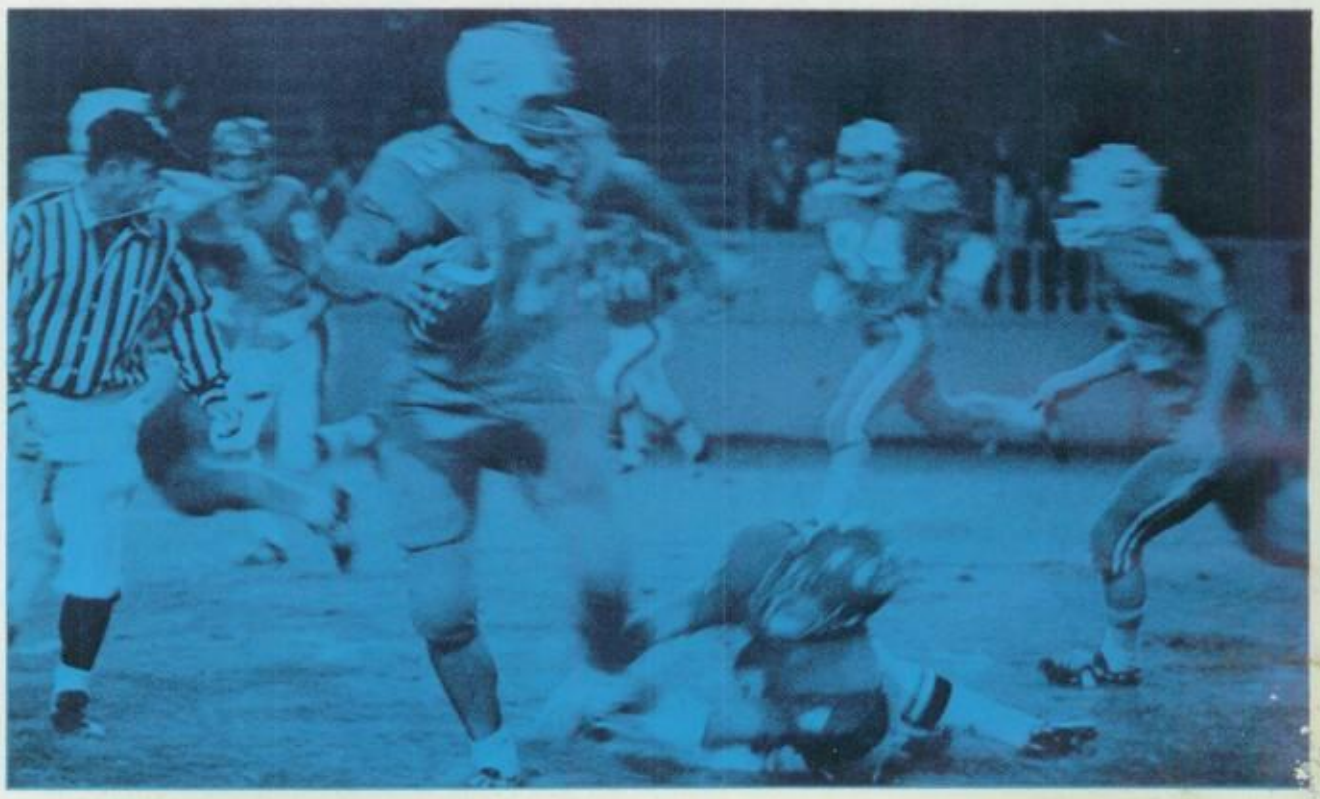
DE ANZA COLLEGE

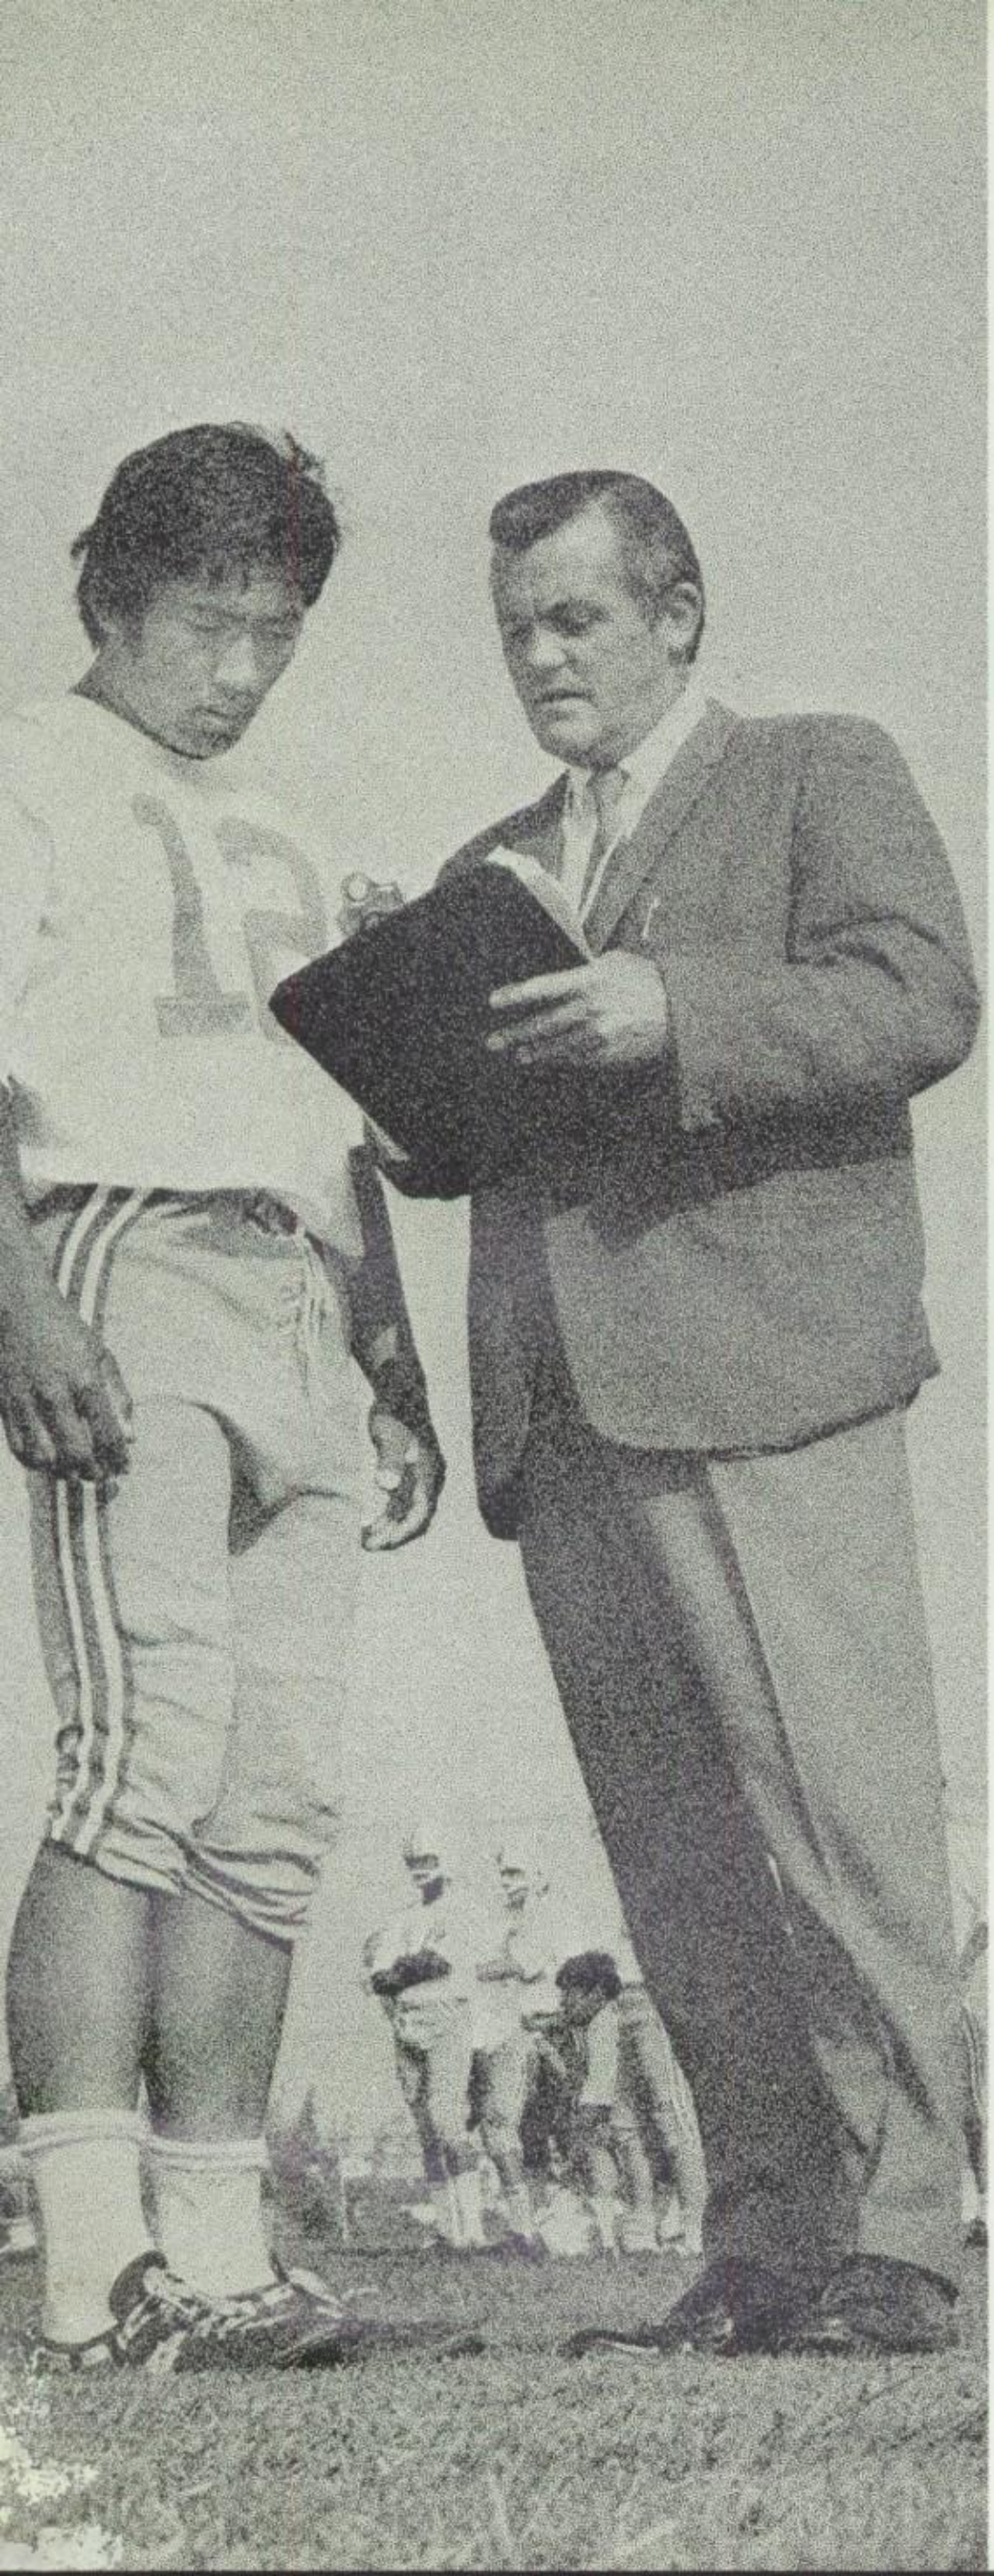




If you have
what it takes
...take the
COAST
GUARD

Talking it over,
Just the two
of us



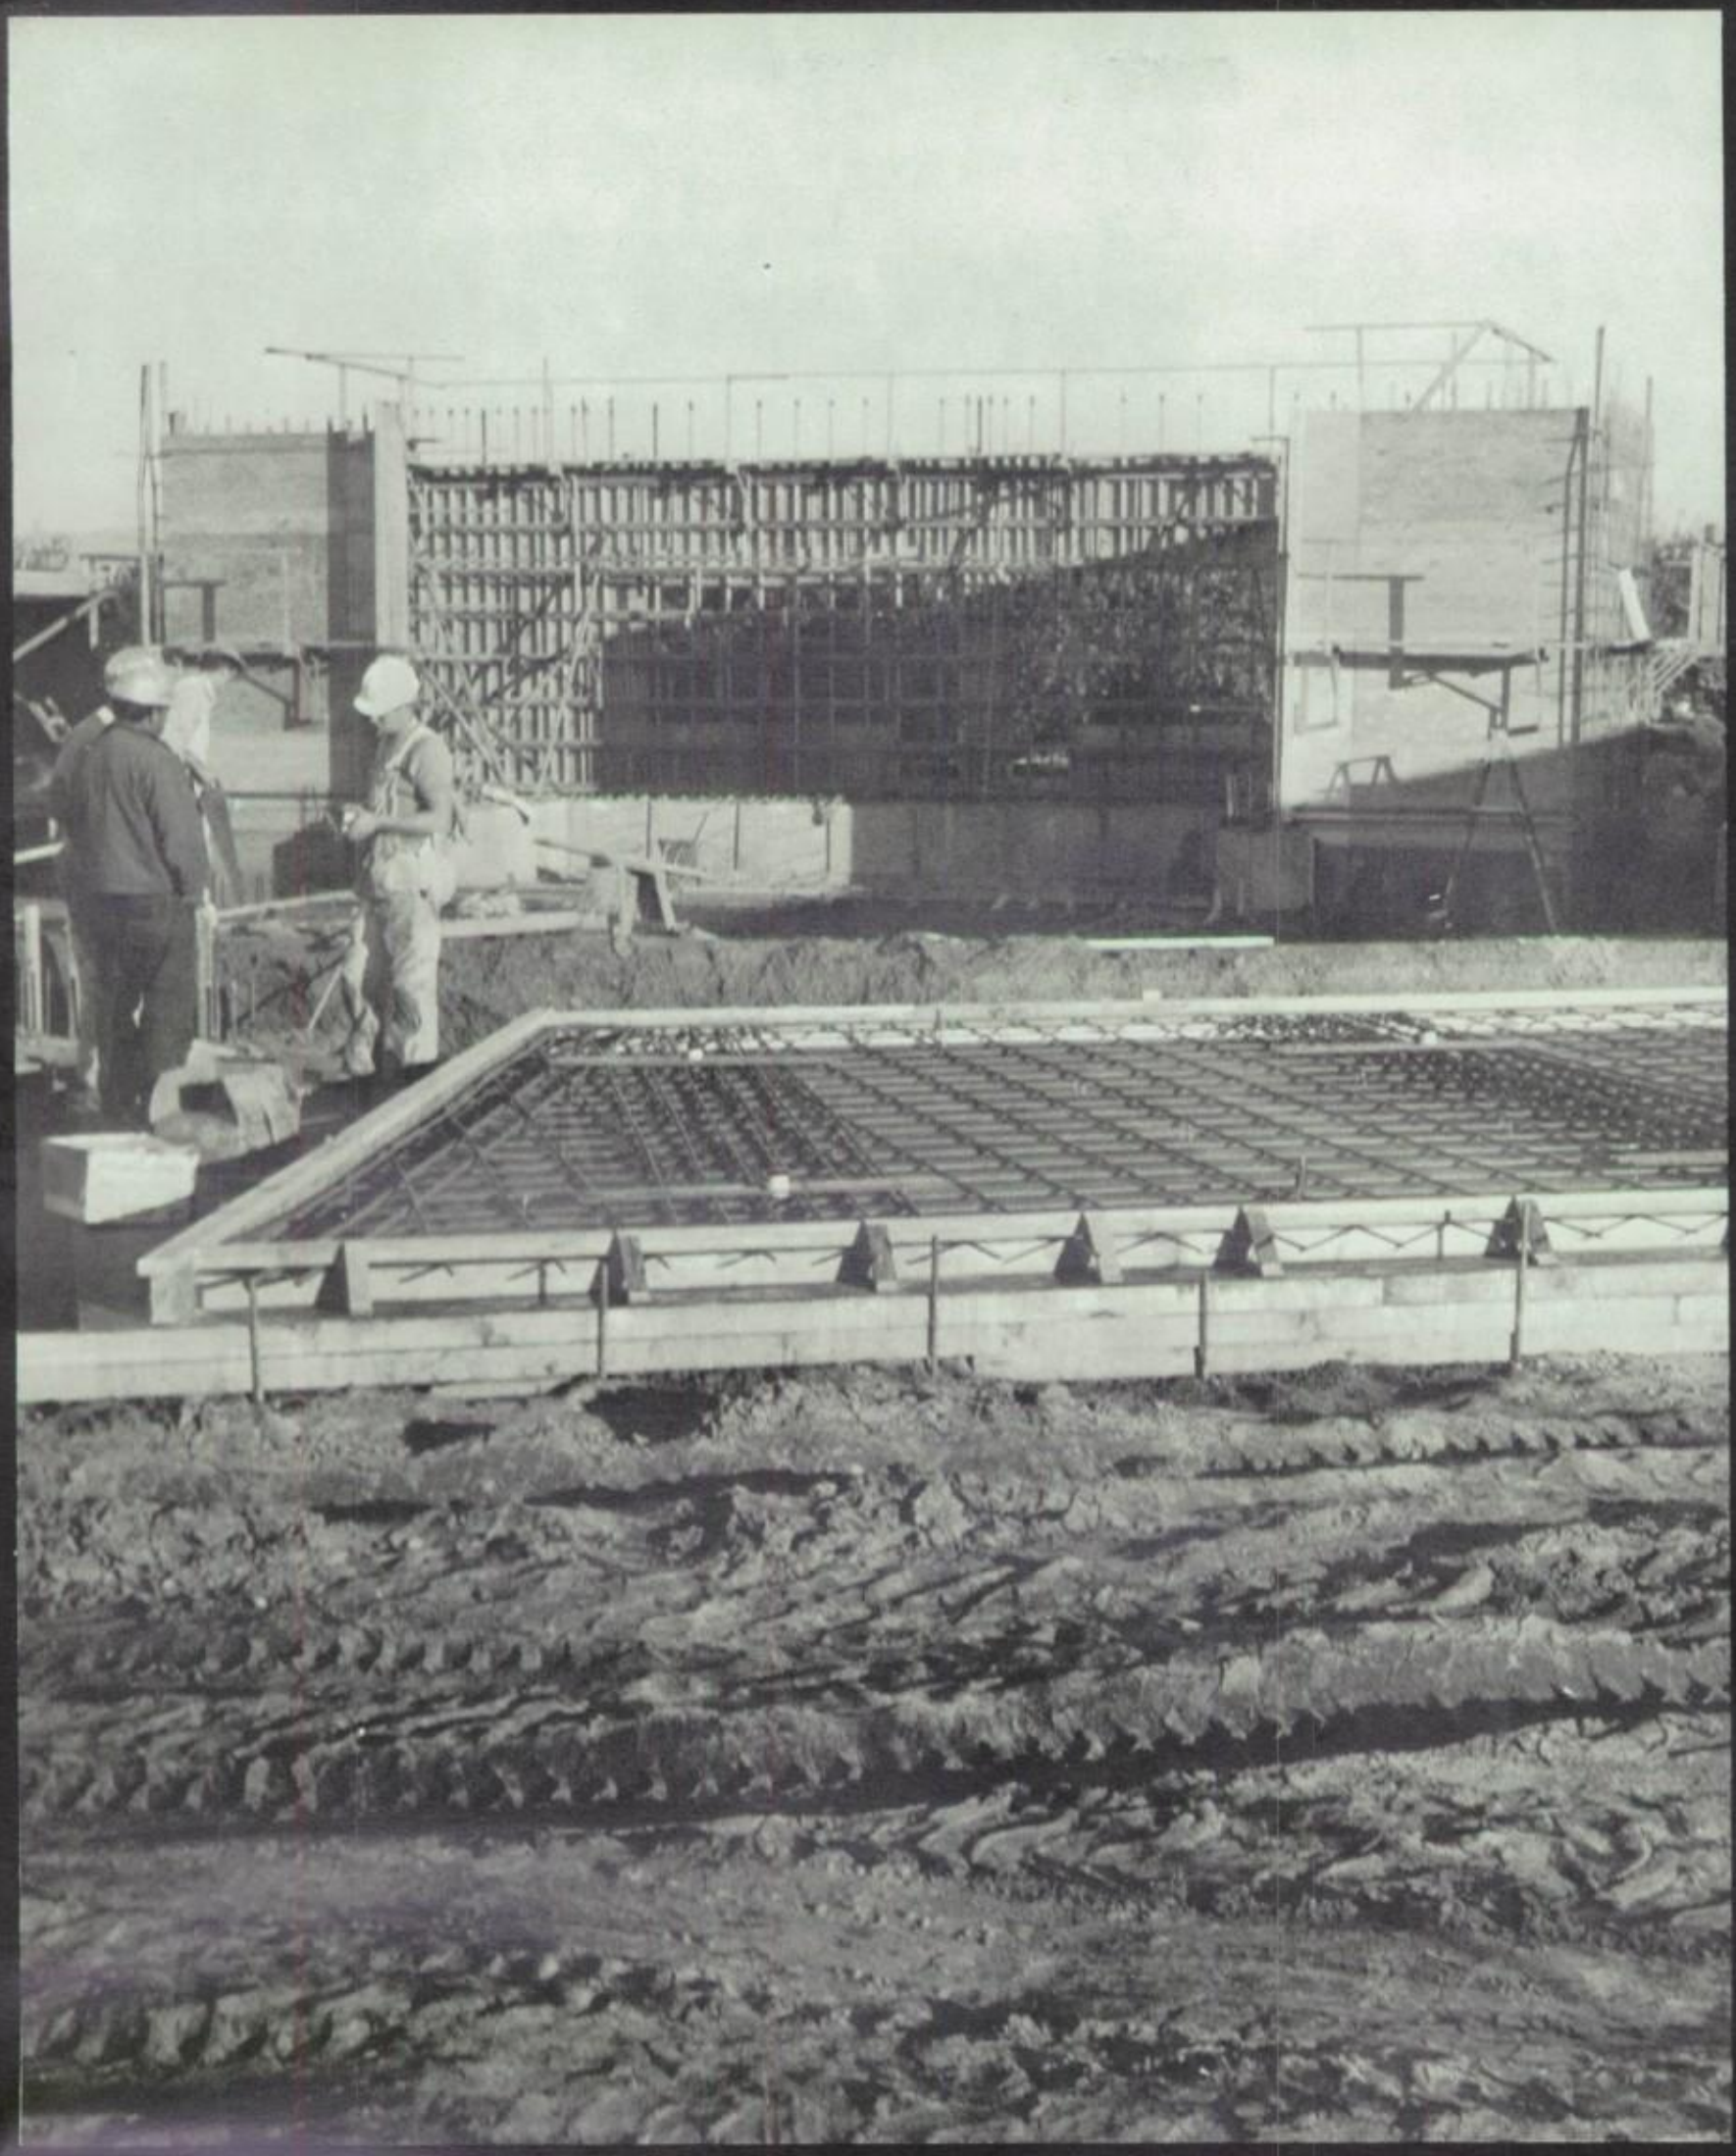


Working together
Day to day

And when the evening comes
. . . we smile
So much of life ahead,
We'll find a place
Where there's room
To grow

And, yes, we've just begun . . .

SENIORS



When we build, let us think
that we build for ever.

Happiness is being a Sunnyvale Song Girl

Happiness is the memories of . . . Jody and her Melba toast . . . Rae and Cheryl blowing in Nancy's eye to get the dust off her contact . . . the many bikini car washes and the man who ran into the car ahead of him with his motorcycle . . . Nancy's and Rae's birthdays at camp . . . camp and all its pleasures . . . the night Nancy and Rae locked their door at camp . . . Marylyn's leg and Jody's foot . . . the dirty old man at Kezar who pinched Cheryl . . . Jody's excuses about her hair always being in the way . . . the Santa Clara Game when we traded places with the cheerleaders . . . the time Cheryl sang to the laundry chute . . . the many records that warped while we practiced during the summer . . . all the stairs we climbed at camp because our rooms were on the top floor . . . Kezar competition . . . Sunnyvale Pep Band and Mr. Riggle . . . Terry Ing and his camera . . . our very first practice . . . Marylyn setting her hair with Jello . . . selling donuts and punch at summer school . . . Marylyn's smile and pep . . . the great food at camp . . . Mountain View Song Girls . . . the looks on the Fremont Song Girls' faces when we got a touchdown . . . when Rae met Lloyd Haynes of "Room 222", at Ghirardelli Square . . . and all the wonderful things we did as Sunnyvale Song Girls.

Varsity Cheerleaders lead the way in spirit

Cindy Tremper, Sheree Furtado, Karen Hansen (Head), Nancy Harrison, Cathy Coombs

Remember . . . the Football Jamboree: the winning, the noise and enthusiasm, the tears and the "card section"? . . . the Live Oak game and Dana's "36-0, Way to go!" . . . the boys getting sick after the varsity dinner . . . tieing Fremont the first time we played them, 0-0 . . . beating Lynbrook after the rain and the boys so muddy you couldn't read their numbers . . . singing the Alma Mater without a band . . . being song girls for a quarter at the Santa Clara game . . . the junior homecoming float . . . BEATING Fremont to win our homecoming game . . . the long claps . . . "Oh come on" . . . the Woodside 7 footer . . . "You gotta be putting us on" . . . Hi, I'm - Karen . . . poor little Bruins, the Jets really beat ya! . . . Sheree never needing her megaphone . . . Coombsie and her silent cheer . . . Tremp flippin' out . . . Nancy's Eagle admirer, or was it a Hawk? . . . WoooooOOOoooo . . . .

This yearbook, for the rest of your life, will be a reminder of your high school days. If you are like me, the disappointments and heartaches will lose their immediate sting, and the warmth of the good times will prevail.

When you look back, I hope none of you will regret that you didn't partake of high school to its fullest extent, for you only pass this way once. Therefore, while in high school, be a one-hundred percent high school student, lest you look back in vain on what might have been.

"We've Only Just Begun to Live"

The theme of the 1970-71 Sabre is certainly a challenging one for the Class of 1971. We have entered upon a new decade which promises to include more than all of our previous history. Change is all around us, and the future indicates that we will constantly be adjusting to new ideas and life patterns in the future. The school, Sunnyvale High School, bears the responsibility to help provide background knowledge, skills, and experiences to enable you to live a productive and rewarding life for yourself and your community.

The future, then, really holds untold possibilities for you. Your life style and involvement in community affairs will be broader and more far reaching than any generation in our world's history. The 1970-71 school year at Sunnyvale High has been a year of change, innovation, involvement, and hard work. You have helped set a pattern of responsibility and behavior that will be far reaching to the students that follow you.

On behalf of the staff at Sunnyvale, I thank you for your contributions and the leadership you have provided during this rewarding year. Hopefully, you are now ready to make the decisions regarding the future.

Good Luck! You've only just begun to live! The future is yours!

Acknowledgements

As editor, it is difficult in such a small space to express my sincere thanks and appreciation to those many deserving persons who have helped make the 1970-71 Sabre a success. I feel the biggest thanks undoubtedly goes to Mr. Robert Lane, our efficient, creative, understanding, and patient adviser. The many miles that Mr. Lane and I traveled to capture the most perfect pictures for this yearbook, the climbing up on the roof of the school building waiting for the sunset, the circles we went in at NASA, the endless trips to Camera Mart, and much, much more will forever remain as many of the greatest and funniest memories of my life. It seems such a small thing to just say thank you, but for the infinite hours of time and work, may I say thanks, Mr. Lane.

I would also like to thank Patti Fehr, the advertising editor, who worked so hard and diligently, yet received so little recognition. Without the endless telephone calls and appointments for ads, we would not have had the money to produce a yearbook such as this. Thank you, Patti.

To Mr. Dick Bennion and Mr. Hal Sands at Camera Mart go my thanks for the fast and efficient enlarging and processing of pictures, especially at the deadlines.

To Mr. Darrell Dodds, our publisher's representative, go my thanks for his help in the production of the Sabre.

I would like to thank George Abercrombie Flowers and Gifts for providing a prom background, Selix Formal Wear for supplying us with a tuxedo for the prom picture, and NASA for supplying the color transparency of the moonshot.

But, I cannot forget the Sabre Staff as a whole. Without these fifteen persons there would be no yearbook. I wish to extend my thanks for the many hours, both in and out of school, of loyal work that all put in. I only hope they can share in the memories that this year has brought to me. Good luck to Barbara Groth, next year's editor. May her year be as full of fun, problems, and sleepless nights as mine.

Last, but not least, may I thank Sunnyvale High, both students and adults, for supplying the Sabre Staff with the memories to make this yearbook possible. I hope that it will bring to all many hours of enjoyment in recapturing the moments of 1970-71 that are now past, yet can remain in memories through these pictures. Good luck to everyone and special wishes to the graduating seniors; remember that as you turn this last page, it is not the end, for you have "only just begun to live."
